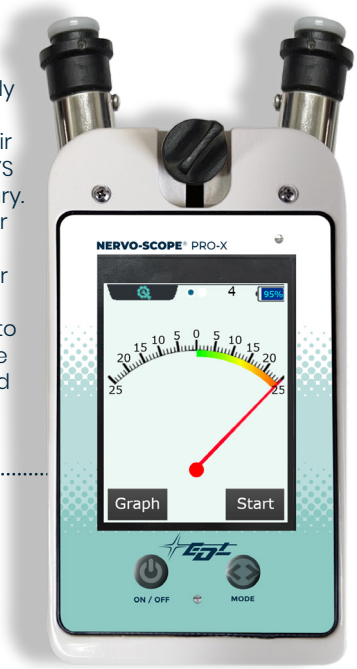
20-10 PROMO VALID ON NEW **NERVO-SCOPE® PRO-X!**

EDL IS EXPANDING OUR DISCOUNT PROGRAMS FOR OUR CHIROPRACTIC PRODUCTS AND WILL BEGIN OFFERING A NEW 20-10 PROMO CODE PROGRAM TO FACILITATE OUR DISTRIBUTOR'S CUSTOMERS OR STUDENTS ORDERING DIRECTLY FROM EDL. THE PROMO CODE ASSIGNED WILL **ALLOW DISTRIBUTORS TO OFFER THEIR CUSTOMERS/STUDENTS A 10% DISCOUNT** ON THE NERVO-SCOPE AND ANALAGRAPH AND WILL ALSO ALLOW US TO TRACK ORDERS TO ACCUMULATE A 20% DISCOUNT FOR THE DISTRIBUTOR/COLLEGE. THIS 20% WILL ACCUMULATE AND CONVERT INTO PRODUCT ON FUTURE ORDERS.

- Online orders referencing your personailzed promo code offer the student a 10% discount.
- Shipping charges will be calculated on our website and the order will be shipped directly to the person ordering the product.
- Customers/students will order on EDL website and pay by credit card. If customers have a problem checking out on the website, they can check out as "No payment necessary" and we can process the order and discuss payment options
- **Non US based credit cards** will likely decline our security settings, so customers should not attempt their payment online and should ALWAYS check out as No Payment Necessary. This will allow us to receive all order details. Once processed in our system, we will e-mail a sales order acknowledgement with our Credit Card Payment Authorization form to complete. We require a copy of the front & back of the card being used so that we may process the credit card information manually.



EDL WILL TRACK SALES WHICH UTILIZE THE ASSIGNED PROMO CODE. EACH SALE WILL HAVE A 20% DISCOUNT CALCULATED ON THE PURCHASE PRICE OF THE ITEM SOLD. THIS 20% WILL ACCUMULATE AND COVERT INTO PRODUCT.

- New orders placed will receive a 10% discount and the 20% "discount" which has accumulated from promo code orders will be applied to the new order.
