New Distributor Information: Once approved and your initial order is placed for at least 8 scopes, you will receive the full distributor discount of 30%. By the end of a 12-month period, you MUST sell a total of 30 scopes to keep your 30% distributor discount. If this total is not met, you will lose your distributor status and revert to reseller status and pricing on subsequent orders. Each year you must order at least 30 scopes to keep your distributor status. *All Chiropractic sales are final.
